

Mounds Lake Project

What is the time frame for the Mounds Lake Project?

The permitting process for the Mounds Lake project is anticipated to take 18 months to 3 years. Lawsuits are always a possibility with any major construction project. The overall planning, permitting, development and construction timelines outlined in the Phase II reports have been carefully considered and are feasible.

What are the steps?

<i>Step</i>	<i>Time Frame</i>
<i>Public Visioning Sessions</i>	<i>Aug. 2014</i>
